Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Medicine, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts thru the Blood on the Mucous Surfaces of the System. One Hundred Dollars reward is offered for any case that Hall's Catarrh Medicine fails to cure. Send for circulars and testimonials.

Doesn't hurt a bit! Drop a little Freezone on an aching corn, instantly that corn stops hurting, then you lift it right out. Yes, magic!  
A tiny bottle of Freezone costs but a few cents at any drug store, but is sufficient to remove every hard corn, soft corn, or corn between the toes, and the calluses, without soreness or irritation. Freezone is the sensational discovery of a Cincinnati genius. It is wonderful.

**WILLIAM RAYBUCK**

William Raybuck, one of our most aged and highly respected citizens, died at the home of his daughter, Mrs. O. M. McCain, on Wednesday of last week, at the age of 83 years, 3 months and 1 day. He was a native of Pennsylvania and came here from Terre Haute, Ind., some ten or twelve years ago, since which time he has made his home with his daughter.

For the past three or four years Mr. Raybuck has been in very feeble health, being afflicted with dropsy, and his death comes not as a surprise.

His remains were carried to Terre Haute, Ind., being accompanied by his son-in-law, O. M. McCain, and grand-son, Earl Raybuck, who returned home Sunday night.

The Herald joins the many and sincere friends of the family in condolence and sympathy.

John Fields returned last week from Hornbeak, Tenn., where he went to attend the bedside of his mother, Mrs. A. Fields.

**IRRITABLE NERVOUS**

Was Condition of Indiana Lady Before Beginning to Take Card-u-i, the Woman's Tonic.

Kokomo, Ind.—Mrs. H. Hankemeier, of this town, says: "I look so well, and am so well, that it does not seem as if I ever needed Cardui. But I was not always this way... I think I have taken a dozen bottles... before my little girl came."

I was feeling dreadfully bad, had headache, backache, sick at my stomach, no energy... I was very irritable, too, and nervous.

I began taking Cardui about 6 months before my baby came. As a result all those bad feelings left me, and I just felt grand, just as if nothing at all was the matter, and when the end came I was hardly sick at all.

Since that I have never taken Cardui at all... It has done me good, and I know it will help others, if they will only try it."

Many women have written grateful letters like the above, telling of the good that Cardui has done them. Why should it not help you, too? If you suffer from any of the ailments so common to women, and feel the need of a safe, reliable, strengthening tonic, we urge you to begin today and give Cardui a fair trial. Your dealer sells Card-u-i. EB-10
